13 Hello, this is a prepaid debit call
14 from an inmate at the Ohio State Penitentiary.
15 To accept this call, press 0. To refuse
16 this -- this call is from a correction
17 facility and is subject to monitoring and
18 recording.

19 Thank you for using GTL.

20 MANMAN: Hello.

21 MS. SAILOR: What's up, Manman?

22 MANMAN: What's up, Ames.

23 What's going on?

24 MS. SAILOR: Nothing.

25 MANMAN: You talked to the

1 brother today?

2 MS. SAILOR: Yeah, I already
3 talked to him.

4 MANMAN: Oh, tell him I said
5 -- just tell him I said, Shot said the nigga
6 just back locked up.

7 MS. SAILOR: You said -- say that
8 again?

9 MANMAN: Tell him -- he was
10 asking me to get the nigga's just the number,
11 but tell him.

12 MS. SAILOR: Oh.

13 MANMAN: Tell him I just
14 talked to him. Tell him he's locked back up.

15 MS. SAILOR: Oh, okay.

16 MR. SAILOR: Can you do me a
17 favor?

18 MS. SAILOR: Uh-huh.

19 MANMAN: Can you -- can you
20 J-pay me Will for me and see where he at?

21 MS. SAILOR: You want me to look
22 him up? Or you just want me to ask him where
23 he is?

24 MANMAN: No, just ask him
25 where he at. I think he's in the field, but I

1 just want to know if he's about to show, but
2 I'm about to write him.

3 MS. SAILOR: Hold on.

4 AUTO ATTENDANT: This call is
5 originating from an Ohio Correctional Facility
6 and may be recorded and monitored.

7 MS. SAILOR: I don't even have him
8 on my JPay.

9 MANMAN: Huh?

10 MS. SAILOR: What's his inmate
11 number? I don't have him on my J-Pay.

12 MANMAN: It's 631449. You
13 know you got to put an A in front of it.

14 MS. SAILOR: He's in Mansfield.
15 Damn, he's at Mansfield. That's crazy.
16 Cheese just went -- just left today.

17 MANMAN: Oh, he did?

18 MS. SAILOR: Yeah, and then
19 yesterday, you know, we were just talking
20 about when he was going up a review. They
21 took him up a review yesterday.

22 MANMAN: Oh, they did?

23 MS. SAILOR: They took El up for
24 review yesterday, but he still won't be able
25 to ride out until, like, the first week of

1 June.

2 MANMAN: I mean, that ain't
3 bad though. So they dropped something?

4 MS. SAILOR: Not yet. No, not
5 yet. It's some bullshit. They told him that
6 they were going to deny him and that he has to
7 appeal it, but they're doing it now, so that
8 he has time to appeal it before his official
9 review. But it's just the way that they do
10 things down there. So they're still going to
11 drop him no matter what. But they go around
12 in circles. Instead of just dropping it, they
13 make you appeal it.

14 MANMAN: Oh, okay. So they
15 just want to be assholes about the situation?

16 MS. SAILOR: Yes, definitely. But
17 Meal, he needs to grow a beard. He's got like
18 that pedophile mustache on his mug shot.

19 MANMAN: Oh, they got a new
20 mug shot on there?

21 MS. SAILOR: He looks -- I don't
22 know if that's new or old, but he's got a
23 mustache with no beard. He looks like a
24 pervert.

25 MANMAN: Oh, God. I wonder

1 how you get that off though. He was just in
2 Toledo. I'm thinking he hardship though.

3 MS. SAILOR: Oh yeah, you did say
4 that.

5 MANMAN: Yeah, but they about
6 to -- I think they about to take me up for a
7 special review where they said they told me --
8 I just filled out the paperwork. But I don't
9 know if they're going to give it to me.
10 Hopefully we all link up.

11 AUTO ATTENDANT: This call is
12 originating from an Ohio Correctional Facility
13 and may be recorded.

14 MS. SAILOR: S o what where are you
15 being dropped to?

16 MANMAN: A Level 3 if I get
17 dropped.

18 MS. SAILOR: Oh and they don't
19 have Level 3 in there at all.

20 MANMAN: No, this a Level 4,
21 4A, and 4B and 5 down here too.

22 MS. SAILOR: Right, right, right,
23 I forgot.

24 MANMAN: I'm 4A right now.
25 But I end up being a, what you call it, a

1 model citizen?

2 MS. SAILOR: A model inmate. Do
3 you want to go to Mansfield, though?

4 MANMAN: Yeah, that's where I
5 was trying to go to. Everybody want to go --
6 I got a lot of family down there. My big
7 brother down there, you know.

8 MS. SAILOR: It's going to be --
9 they don't know what they're getting
10 themselves into.

11 MANMAN: Right, that's what
12 I'm thinking, too.

13 MS. SAILOR: You guys might as
14 well just be out here on the streets.

15 MANMAN: Hopefully, it will be
16 another episode like we had in Trumbell. That
17 was a nice situation.

18 MS. SAILOR: Leave me out of it.

19 MANMAN: We gonna do the right
20 thing this time, though.

21 MS. SAILOR: Right. No, I won't
22 let him fuck around. We're too close to the
23 finish line.

24 MANMAN: Yeah, well, you know,
25 I look at it like that too. I know you

1 excited about that.

2 MS. SAILOR: I'm really excited
3 because I don't know, I haven't even told you,
4 or I don't know if he wrote you and told you,
5 but so, you know, the new prosecutor took
6 office in January, and this is the man that I,
7 like, I had been following him around during
8 his campaign and showing up --

9 MANMAN: I know, he was
10 telling me about it. Dude told me about it.

11 MS. SAILOR: Well, so the
12 Innocence Project, they wanted to file his new
13 trial motion, but the prosecutor told me, he
14 was like, you know, I take office January 1st,
15 he was like, you know, resubmit that
16 application to January 2nd, and I'll make sure
17 that we do the right thing.

18 So I was telling the Innocence Project,
19 like, let's not file the new trial motion yet.
20 Let's rewrite or resubmit the application, you
21 know, his application of innocence. So they
22 rewrote it, and they -- it's hard as fuck. I
23 mean, they did a very good job rewriting that
24 application, and they resubmitted it. So
25 about a week later, I called the prosecutor's

1 office and I had to leave a message and I
2 didn't think anyone was going to call me back,
3 but this man called me back and, you know, he
4 was like, you know, my name is Russell Tye.
5 He was like, I am in charge of the Conviction
6 Integrity Unit. Michael O'Malley assigned me
7 to investigate Mr. Sailor's case.

8 He was like, I just wanted to let you
9 know that I've been reviewing his case since
10 January. He was like, you know, I pulled the
11 police file and the transcripts and this,
12 this, that and the other. So, but it's April.
13 Okay, so we're just now fucking with them in
14 April, but they've been reviewing his case
15 since January and we didn't even know it.

16 So they're already ahead. And so He
17 was like, I just wanted to call you back and
18 let you know that I've been reviewing it from
19 January, and at this point, it looks like to
20 me that this is a case of wrongful
21 identification. I'm about to throw up. I'm
22 so excited by this conversation. So I talk to
23 this man once a week, and he's so on top of
24 his shit. I mean, he knew stuff about the
25 case that took me a year to understand and

1 realize.

2 MANMAN: (Inaudible.)

3 MS. SAILOR: Yeah, like there's so
4 many little things that just keep popping up
5 here and there. Well, he used to be a defense
6 attorney. So not only is he new to the office
7 and wants to make an impression, he's looking
8 at it from a different point of view instead
9 of like a prosecutor; and he's black.

10 MANMAN: Oh, okay, that's
11 (inaudible) --

12 MS. SAILOR: So all that dark
13 skin, light skin shit; you know what I'm
14 saying.

15 AUTO ATTENDANT: This call is
16 originating from an Ohio Correctional Facility
17 and may be recorded and monitored.

18 MS. SAILOR: You know how all the
19 witnesses were like that, you know, it was two
20 light skin men and you know Cordell's light
21 skin, El's dark skin. So that means something
22 to someone who knows color. You know what I
23 mean? A white prosecutor might not look at it
24 like that, but you know. So there's, I mean,
25 I just spoke to him a couple of days ago and

1 he said that he was sending an investigator
2 out to talk to a witness, and then once they
3 get that statement from the witness, he was
4 like, they're taking it to the next step. So
5 he could be home within the next month.

6 MANMAN: Oh yeah, so it's like
7 any day now for real?

8 MS. SAILOR: No, like it literally
9 is, like, you know. I know I've been saying
10 that for a minute, though, but it's really
11 like, this is it, this is the end now, and,
12 you know, they just exonerated someone from
13 Grafton, this dude named Evan King, he was
14 doing 23 years. They discovered, like, on
15 some DNA shit, like, back in, like 2009, but
16 they never, like they never did anything about
17 it. So the same attorney that represented
18 Evan King on his exoneration is the same
19 attorney from the Innocence Project that
20 represents El.

21 So when she went downtown two weeks ago
22 for the exoneration, she had a side meeting
23 with the prosecutor's office and, you know,
24 they basically told her, you know, what's up.
25 So, when the new prosecutor took office in

1 January, he basically started investigating
2 Evan King and El's case. But Evan King was
3 doing 23 years, so he basically took priority.
4 So he's definitely doing the right thing, the
5 new prosecutor, I mean, he's doing what he's
6 supposed to be doing, so definitely.

7 MANMAN: Yeah, bruh don't want
8 to get a lawsuit, too.

9 MS. SAILOR: Well, his attorney
10 said that, because, you know, he's got the
11 Innocence Project but he's still stuck with
12 Kim. You know, they signed a contract to
13 collaborate with each other. So Kim said that
14 someone approached her and was like, does
15 Ru-el Sailor have a civil rights attorney?
16 And she was like, we're not there yet. We're
17 not at that point yet for him to start
18 thinking about suing the state. But I guess
19 there's like rumors going around in the
20 Justice Center about another exoneration. So
21 she was like, the sharks are swarming. They
22 can smell the blood. So she was like, don't
23 be surprised if you start getting phone calls
24 from random attorneys, you know, like offering
25 up the best deal because they know when he

1 comes home, he's going to be able to sue the
2 state.

3 MANMAN: Right, yeah.

4 MS. SAILOR: So definitely some --

5 MANMAN: I'm glad everything
6 going good for you all.

7 MS. SAILOR: Yeah, I had got with
8 your dad. You know, he wrote an updated
9 letter to the prosecutor's office.

10 MANMAN: (Inaudible) I
11 supposed to have Ben called you, but you know
12 how I'd be in La La Land.

13 MS. SAILOR: No, I know. So --

14 MANMAN: And then my mama had
15 told me they had seen you not too long ago.

16 MS. SAILOR: Yeah, yeah. So yeah,
17 he signed it, she notarized it. So I probably
18 didn't need to do all that but I just wanted
19 to make sure that it was like super official,
20 just because it said some heavy things in
21 there. It was like really like heartfelt.

22 MANMAN: Everything in y'all
23 favor.

24 MS. SAILOR: Absolutely. I mean,
25 I'm still skeptical, because they could be on

1 some fuck shit no matter what and that's just
2 how they are. But it's like they really
3 seriously, like there's like 95 percent no way
4 that they could. If there is, I'm gonna be
5 completely shocked, and I'm gonna like be on
6 some bullshit.

7 MANMAN: Right. Yeah, you
8 should. Do you still all need dude off of
9 Englewood?

10 MS. SAILOR: I mean, hell, yeah,
11 we would definitely --

12 MANMAN: I mean, need the help
13 though, but y'all still going without it.

14 MS. SAILOR: No. Well, yeah,
15 we're going without it, because if it ever
16 boils down to, like, a retrial, he's going to
17 be ripped to shreds. There's no way that
18 whatever he has to say will be taken into
19 account because they're going to tear it down.
20 But it would be so much easier. Like, if he
21 came forward today, they would, like, let him
22 out tomorrow.

23 So I wish we could get him. Like,
24 that's been my goal. I've been trying to get
25 at him for, like, three years.

1 MANMAN: Like, did y'all try
2 to find, um -- I know Boogie was telling me he
3 was, um -- he was at, um, he was at the lady
4 barber when everything took place. You all
5 ain't ever find to her?

6 MS. SAILOR: She won't come
7 forward. We sent our private investigator and
8 she just, she flat out won't come forward.
9 Like, she's so caught.

10 AUTO ATTENDANT: This call is
11 originating from an Ohio correctional facility
12 and may be recorded and monitored.

13 MS. SAILOR: She acts like she's
14 scared.

15 MANMAN: Oh, she ain't, she
16 don't want to be involved at all.

17 MS. SAILOR: Uh-uh. But then, you
18 know, the dude that was with Omar, Dude, they
19 call him Dude, he's in the County doing a
20 little bit. So we sent our private
21 investigator down there to get a statement
22 from him, and basically he was talking about
23 he ain't going to do nothing until somebody,
24 like comes up off something for him. You
25 know, so he was basically just trying to get

1 paid for a statement, you know. Kim couldn't
2 do that. The PI couldn't do that. That's
3 against the law. They would have gotten in
4 trouble if they would have put money on this
5 books or did something for him.

6 Some of El's dudes went down there.

7 MANMAN: (Inaudible) against
8 the law?

9 MS. SAILOR: I mean, because he
10 asked for it, if they would have done it --
11 well, I don't know if it's necessarily against
12 the law, but it's against ethics. You know I
13 mean like, and there's rules to ethics, you
14 know, like ethics rules as an attorney and
15 they would've got, you know, like, in trouble
16 for that. And then they could've, like,
17 completely, like, discredited us, basically,
18 you know, and, like, tried to use it against
19 us. But then, so the next, like, a couple of
20 days later, one of El's dudes went down there
21 and, like, talked to him, like, you know,
22 like, man to man, I guess you could say, like,
23 street got a street guy, and he was like -- he
24 said he was like, man, I was high as fuck that
25 night. He was like, I didn't see shit, you

1 know what I'm --

2 AUTO ATTENDANT: You have one minute
3 remaining.

4 MS. SAILOR: He was like I
5 definitely didn't see Dude. He was like -- he
6 was like, they need to be going after the
7 police. He was like, because there was a lot
8 of corruption. So he was basically just
9 saying that the police told him to say what he
10 said and you know so.

11 MANMAN: Alright. Alright,
12 man, y'all stay up, keep doing your thing,
13 man. Hopefully it'll be --

14 MS. SAILOR: Alright, I'll talk to
15 you later.

16 MANMAN: Tell bro what I said,
17 dude, locked back -- locked up. He's looking
18 for him.

19 MS. SAILOR: Okay, I will.

20 MANMAN: I'll call you if I
21 need you.

22 MS. SAILOR: Okay. Alright, bye.
